Nanomaterials and Membrane Science for Water, Energy and Environment,
Desalination and Reuse in the face of water scarcity (SNMS 2021)
June, 1&2 2022, Hotel Royal Tulip – Tangier, Morocco**

Welcome to the Kingdom of Morocco

- Morocco has reopened its borders under certain conditions notably:

the presentation of a valid Covid-19 immunization pass* **or** a negative PCR test not exceeding 72 hours.

- For our attendants who have booked the plane to Casablanca, we note that there is a train from airport to “ **Casa Voyageurs** ” station and then **Al-Boraq train** (high-speed train) to Tangier (it takes about 2 hours). For more information, please visit the website of ONCF: <https://www.oncf.ma/en>

(*) a valid vaccine passport means the administration of three doses or two doses, of which the duration for administration of the 2nd does not exceed four months, with the exception of the Johnson & Johnson vaccine, where a single dose is equivalent to 2 doses of the other vaccines.
